Virginia Desorgher
Candidate for Mayor of Greenfield
43 Silver Crest Lane,
Greenfield, MA 01301

Dear Virginia,

The United Food and Commercial Workers Local 1459 is proud to endorse your candidacy for Mayor of Greenfield. As you are aware, UFCW Local 1459 represents nearly 5,000 working people across Western Massachusetts and Vermont, some of which live and work in Greenfield. We can not think of anyone better to represent the people of Greenfield, as such we are honored to stand by your side and offer our endorsement and support.

In your work as City Councilor as well as your position as Chair of the Ways and Means committee you have demonstrated your commitment to help Greenfield to grow in a way that is fair for all. In meeting with you, it was clear that you supported the working families of Greenfield and would be a strong advocate for organized labor. You seemed to appreciate and understand that in order for Greenfield to continue to grow and live up to its true potential, it is imperative to support the working people and their families in this community and that by doing so Greenfield would have the best chance for fair and equitable growth.

As Mayor we truly believe Greenfield will be in good capable hands. We wish you the best of luck and please let us know if there is anything you need from us moving forward.

In Solidarity,
